

## Always remember us this way

Hillary Lindsey / Lori McKenna / Natalie Hemby / Stefani Germanotta

That Arizona sky burning in your eyes  
You look at me and, babe, I wanna catch on fire  
It's buried in my soul like California gold  
You found the light in me that I couldn't find

**So when I'm all choked up  
But I can't find the words  
Every time we say goodbye  
Baby, it hurts  
When the sun goes down  
And the band won't play  
I'll always remember us this way**

Lovers in the night, poets trying to write  
We don't know how to rhyme, but damn we try  
But all I really know you're where I wanna go  
The part of me that's you will never die

**So when I'm all choked up...**

Oh, yeah  
I don't wanna be just a memory, baby, yeah

Huh, huh

**When I'm all choked up...**

When you look at me  
And the whole world fades  
I'll always remember us this way

## The climb

Jon Mabe / Jessi Alexander

I can almost see it.  
That dream I'm dreaming, but  
There's a voice inside my head saying,  
"You'll never reach it."  
Every step I'm takin'  
Every move I make feels lost with no direction,  
My faith is shakin'

But I, I gotta keep tryin'  
Gotta keep my head held high

**There's always gonna be another mountain  
I'm always gonna wanna make it move  
Always gonna be an uphill battle  
Sometimes I'm gonna have to lose  
Ain't about how fast I get there  
Ain't about what's waitin' on the other side  
It's the climb**

The struggles I'm facing  
The chances I'm taking  
Sometimes might knock me down, but  
no, I'm not breaking  
I may not know it,  
But these are the moments that  
I'm gonna remember most, yeah  
Just gotta keep goin',

And I, I gotta be strong  
Just keep pushing on

# Det vackraste

Låtskrivare: Marianne Gronvall / Peter Grönvall

**Stunder av stillhet  
Ett ögonblick av ro ibland  
Stunder av lycka  
Att bara ha varandra  
Det är en rikedom  
Att få älska och att älskas  
Vår kärleks varsamhet (sårbarhet)  
Är det vackraste jag vet**

Det vackraste som finns  
Är att vara någon nära  
När månen lyser klart  
Över skog och mark så underbart  
Du ligger här bredvid  
Och jag känner hur du andas  
Att älskas utav dej  
Är det vackraste för mej

**Stunder av stillhet...**

# Som en bro över mörka vatten

Paul Simon

Huh, huh  
var ej rädd,  
Som en bro över mörka vatten, ska jag bära dig

Huh, huh  
tro på mig  
Som en bro över mörka vatten, ska jag bära dig

Huh, huh  
här hos dig  
Som en bro över mörka vatten, ska jag bära dig  
Som en bro över mörka vatten, ska jag bära dig

# River deep, mountain high

Låtskrivare: Jeff Barry / Ellie Greenwich / Phil Spector

And it gets stronger in every way  
And it gets deeper, let me say  
And it gets higher, day by day

Do I love you, my oh my?  
River deep, mountain high, yeah yeah yeah  
If I lost you, would I cry?  
Oh, how I love you, baby, baby baby baby!

# Leva

Låtskrivare: J Styren, J Sahlen, T Wasseinus, C Andreasson

**Nu vet jag  
Det är här jag vill leva  
Här jag vill vara  
Här jag vill leva – nu**

Allt jag vet - jag skall vara här,  
vara nära dig - du behöver mig  
Allt jag vet - du behöver mig  
Allt jag vet - jag behöver dig

**Det är här jag vill leva  
Här jag vill vara  
Här jag vill leva – nu**

Här vill jag leva  
Här vill jag vara

# Perfect

Låtskrivare: Ed Sheeran

'Cause we were just kids when we fell in love  
Not knowing what it was  
I will not give you up this time  
But darling, just kiss me slow,  
your heart is all I own  
And in your eyes you're holding mine

**Dancing in the dark with you between my arms**

**Barefoot on the grass,**

**listening to our favorite song**

When you said you looked a mess,  
I whispered underneath my breath  
You heard it; "darling you look perfect tonight"

We are still kids, but we're so in love  
Fighting against all odds  
I know we'll be alright this time  
Darling, just hold my hand  
Be my girl, I'll be your man  
I see my future in your eyes

**Dancing in the dark, with you between my arms**

**Barefoot on the grass,**

**listening to our favorite song**

When I saw you in that dress, looking so beautiful  
I don't deserve this; darling you look perfect tonight

**Dancing in the dark, with you between my arms**

**Barefoot on the grass,**

**listening to our favorite song**

I have faith in what I see  
Now I know I have met an angel in person  
And she looks perfect  
I don't deserve this  
You look perfect tonight

# Million dreams

Låtskrivare: Benj Pasek / Justin Paul

I close my eyes and I can see  
The world that's waiting up for me  
That I call my own  
Through the dark, through the door  
Through where no one's been before  
But it feels like home

They can say, they can say it all sounds crazy  
They can say, they can say I've lost my mind  
I don't care, I don't care, so call me crazy  
We can live in a world that we design

**'Cause every night I lie in bed**

**The brightest colors fill my head**

**A million dreams are keeping me awake**

**I think of what the world could be**

**A vision of the one I see**

**A million dreams is all it's gonna take**

**A million dreams for the world we're gonna make**

There's a house we can build  
Every room inside is filled  
With things from far away  
The special things I compile  
Each one there to make you smile  
On a rainy day

They can say, they can say it all sounds crazy  
They can say, they can say we've lost our minds  
I don't care, I don't care if they call us crazy  
Run away to a world that we design

**Every night I lie in bed...**

However big, however small  
Let me be part of it all  
Share your dreams with me  
You may be right, you may be wrong  
But say that you'll bring me along  
To the world you see  
To the world I close my eyes to see  
I close my eyes to see
